

Satellites (Dem Slackers Remix)

Cash Cash

We are, we are the satellites
All night we keep on moving
We are, we are the lights
Around the world, around the world (singing)
We are, we are the satellites
So high, we keep on moving
We are, we are the lights
Around the world, around the worldAll the satellites
Keep on moving
We are, we are the satellites
All night we keep on moving
We are, we are the lights
Around the world, around the worldSatellites
SatellitesWe are, we are the satellites
All night we keep on moving
We are, we are the lights
Around the world, around the world
Singing
We are the satellites
We keep on moving
We keep on moving
We keep on moving
