I Don't Want To

Example

I really don't feel like talking on the phone
And I really don't feel like company at all
Lately, I don't want to do the things I used to do
Baby, since I lost you
And I don't want to sing another love song, babe
I don't want to hum another melody
I don't want to live my life without you, babe, yeah
It's driving me crazy
I really don't feel like smiling anymore
And I haven't had the peace to sleep at all
Ever since you went away, baby, my whole life has changed
I don't want to love and I don't want to live
And I don't want to sing another love song, baby
I don't want to hum another melody
I don't want to live my life without you, babe, no way
It's driving me crazy
Girl, I don't want to laugh, I don't wanna play
I don't wanna talk, have nothing to say
I don't want to tour, forget this show, how can I go on?
Now that you are gone
I don't want to sing another love song, babe
I don't want to hum another melody

I don't want to live my life without you, babe
It's driving me crazy
I don't want to sing another love song, babe
I don't want to hum another melody
I don't want to live my life without you, babe
It's driving me crazy
Come back to me, honey, you right here
Don't want to sing or hum another melody
I don't want to sing another love song, babe
I don't want to hum another melody
I don't want to live my life without you, babe
It's driving me crazy
I don't want to sing another love song, babe
I don't want to hum another melody
I don't want to live my life without you, babe
It's driving me crazy

I don't want to sing another love song, babe
I don't want to hum another melody
I don't want to live my life without you, babe
It's driving me crazy
