

# Sabotage (Super Duper Remix)

[Amy Stroup](#)

I don't have time to sabotage anything else  
I don't have time to sabotage anything else  
I've gotta do the right thing now  
I've gotta find the right way out  
I've gotta do the right thing now  
I've gotta find the right way out I don't have time to sabotage anything else  
I don't have time to sabotage anything else  
I've gotta do the right thing now  
I've gotta find the right way out  
I've gotta do the right thing now  
I've gotta find the right way out Secrets unglued  
Who's a fool, who's a fool, hey hey  
Put me away  
I can love, I can love, I can hate, hey hey I've gotta do the right thing now  
I've gotta find the right way out  
I've gotta do the right thing now  
I've gotta find the right way out
