

# No Romance

## Wooh Da Kid

Like a car with no brakes man i can't stop  
Making hits non-stop i'm rolling off a yop  
A lot of cuts in my wrist from these damn diamonds  
All because my flow there like i been rhyming.  
They say who the fuck is next  
I say Wooh Da Kid and Lex  
No romancing baby girl yeah its time to have sex  
They say who the fuck is next  
I say Wooh Da kid and Lex  
No romancing baby girl cuz its time to have sex  
No slow dancing, no romancing when i'm in the club  
44 on my side i'm a fucking thug  
It's a nigga hatin', sayin' i'm a fuckin' scrub  
He throwing salt in the game so he get a slug  
I'm just tryna get some bitches chill and smoke a blunt  
With my niggas throwing money cuz they love to flaunt  
Brick Squad niggas built for the bullshit  
Bully niggas getting beat with a full clip  
Alot of bad bitches tryna be ya accdress  
The next scene is you laying on my mattress  
Kareem Stephan status, she got that super head  
No slow dance, romance, we get to the head  
Like a car with no brakes man i can't stop  
Making hits non-stop i'm rolling of a yop  
A lot of cuts in my wrist from these damn diamonds  
All because my flow there like i been rhyming.  
They say who the fuck is next  
I say Wooh Da Kid and Lex  
No romancing baby girl yeah its time to have sex  
They say who the fuck is next  
I say Wooh Da kid and Lex  
No romancing baby girl cuz its time to have sex  
Call me Wooh Billy Blanks i'm on hydro  
I work ya girl out but I aint talking Tae-Bo  
Face down ass up beat it from the back  
She a freak so i slid a finger down the crack  
Yes yes  
Wooh Da Kid the best  
Lex a picky nigga

So he ain't hit it next  
Fuck it  
I'ma throw the sheet to the walls  
Plus she down for it and she like her hair pulled

A-and she know the game  
A-and how it goes  
Then she smashed the homies  
B-but she aint a hoe (sike)  
She with the program  
No romance

Keep ya hands down baby you have no chance  
Like a car with no brakes man i can't stop  
Making hits non-stop i'm rolling of a yop  
A lot of cuts in my wrist from these damn diamonds  
All because my flow there like i been rhyming.

They say who the fuck is next  
I say Wooh Da Kid and Lex  
No romancing baby girl yeah its time to have sex

They say who the fuck is next  
I say Wooh Da kid and Lex  
No romancing baby girl cuz its time to have sex

Mixtape working, album work done  
Wooh and Lex is like night and day  
More like moon and sun

And together we gon' make the game go round and round  
Because they love my flow and they love lil homie sound

Beat going hard  
Man i swear to god  
A bunch of young niggas moving like the fuckin' mob  
MGM niggas

Straight cut-throat  
Bring it in and back it up by the truck load  
Dirt Gang Killers  
Fetti Gang next

Lex Luger track so you know i had to flex  
So Icey Boy for life we don't romance  
And theres a lot of dead guys screaming in my pants  
Like a car with no brakes man i can't stop  
Making hits non-stop i'm rolling of a yop  
A lot of cuts in my wrist from these damn diamonds  
All because my flow there like i been rhyming.

They say who the fuck is next  
I say Wooh Da Kid and Lex  
No romancing baby girl yeah its time to have sex

They say who the fuck is next  
I say Wooh Da kid and Lex  
No romancing baby girl cuz its time to have sex
