Cold, Cold World

Warlock

It's a long, long way down
To the dark side we're bound
Tattered and torn
We're wasted and worn
It's a long, long, long, long, long way down
I've been lonely, lonely
I'm lonely - too long
It makes me so mad I could
Just swear..
I swear - it's a cold, cold world
It's a cold, cold world
Oh it's a cold, cold world
Cold, cold
It's the wrong time
I don't belong in the wrong time - oh no
'Cause the wrong time leaves a long, long time to sleep

One bite
And I'll be standing here dead right
Oh - with a long, long, long, long time to dream
And I've been lonely, lonely
I'm lonely - too long
It makes me so mad I could
Just swear..
I swear - it's a cold, cold world
It's a cold, cold world
Oh - it's a cold, cold world
Cold
Oh it's a cold, cold world
It's a cold, cold world
Oh - it's a cold, cold world
It's a cold, cold world
Cold, cold
