Groovin'

Ub40

I get my kicks from watching people
Running too and fro
And if you ask them where they're going
Half of they don't know
They`re the ones who think I'm crazy
'Cause they don't realizeThat I'm just groovin', oh, groovin'
Grooving out on life
I'm just groovin' and I can't stop groovin'
Groovin' till I dieI see a river flowing by me
Heading for the sea
And I get a feeling deep inside me
It's so good to be free
And I've got sunshine in the daytime
And moonlight every nightAnd I'm just groovin', oh, groovin'
Grooving out on life
I'm just groovin' and I can't stop groovin'
Groovin' till I dieI see a river flowing by me
Heading for the sea
And I get a feeling deep inside me
It's so good to be free
And I've got sunshine in the daytime
And moonlight every nightAnd I'm just groovin', groovin'
Grooving out on life
I'm just groovin' and I can't stop groovin'
Groovin' till I dieI'm just groovin', groovin'
Grooving out on life
I'm just groovin' and I can't stop groovin'
Groovin' till I dieI'm just groovin', groovin'
Grooving out on life
I'm just groovin' and I can't stop groovin'
Groovin' till I dieI'm just groovin', groovin'
Grooving out on life
