

# Electric Music (Album Version)

## Band of Horses

Listen to the motor  
Getting round as we go  
One way or another  
Gonna make it back home Mountains to the water  
She was up to scenery  
Fug it on the other  
All it blind us on beans This it what it does  
Travel on the open road Get you on the double  
Make you right away  
This is what it loves  
To travel in the open road Now she's talking dirty I keep and read a bury have seen  
You don't have to worry, a secret been all me  
Keeping things in ocean baby keep on running from me  
Hysteric come to radio I'm picking up this beat Dear me old mama  
That don't mean for you to weed  
Back to you tomorrow  
Not don't you lose sleeve  
This is what it does travel in the open road  
Oho He's not thirty my visions keeping blurry to me  
Keep it in a hurry but the police are following me  
Keep it in..come and visit and free me  
I ain't..on the inner state Nashville in the sea He he,  
He he,  
He he eh  
Uhhh  
Keep the things in, and roll it for me  
Come to radio I'm pickin up the speed He he, he he, he he, he he
