

# Hi-fi Killer

## American Hi-fi

I wanna turn you on again  
Turn you around and maybe then  
Tune you out  
I don't know how to make it real  
What ever you want it's not big deal  
I'll change my tone  
I gotta disappear  
Don't wanna hear that sound on the radio  
Yeah, we could all hum along  
'Cause it's the same old song  
I don't know how to make it stop  
Go left to the dial to really rock  
But I'm not sure  
Yeah, I'll kick it over anyway  
It's cool but your starting to decay  
It's in your face  
I gotta disappear  
Don't wanna hear that sound on the radio  
Yeah, we could all hum along  
'Cause it's the same old song  
You could watch me come undone  
You could watch me come undone  
Yeah you, you could watch me come undone  
Two freak you  
You could hum along, you could hum along  
You could hum along, you could hum along  
I wanna turn you on again  
Turn you around and maybe then  
I gotta disappear  
Don't wanna hear that sound on the radio  
Yeah, we could all hum along  
'Cause it's the same old song  
I gotta disappear  
Don't wanna hear that sound on the radio  
Yeah, we could all hum along  
Yeah, we could hum along  
Yeah
