

Roll Away

Dusty Springfield

Everyday when I look in the mirror
I try to see where my soul's at now
Happy day is it further or nearer?
On the way, will I find it somehow? Yesterday's gone
Love lead me on, oh
I won't ask why Roll away it's only time and the river
Roll away to the endless sea
Roll away it could all change tomorrow
This is life in it's glory
And the river runs free
Roll away My dreams build the walls of the city
Broken hearts tear them all down
It ain't always easy and pretty
It's just the world turning around
Give us this day
Give us this night, oh
It'll be all right Roll away it's only time and the river
Roll away to the endless sea
Roll away it could all change tomorrow
This is life in it's glory
And the river runs free
Oh, roll away Everyday when I look in the mirror
I try to see where my soul's at now Roll away it's only time and the river
Roll away to the endless sea
Roll away it could all change tomorrow
This is life in it's glory
And the river runs free Roll away it's only time and the river
Roll away to the endless sea
Roll away it could all change tomorrow
This is life in it's glory
And the river runs free
Roll away, ahh, oh
Ahh, ha, ho
