

Hold Me in Your Arms

Pixie Lott

Watching the world float on by
I can say I'm alright
Watching the sun light the moon
As the day turns to night And he says
"Don't you know I love you,
Don't you know you're beautiful" He says
"Everyday is special,
You have made me believe" Hold me in your arms
'Cause I'm falling
Hold me in your arms
While we're sleeping
Hold me in your arms Dreaming of soft cotton clouds
I feel close to you now
Dreaming of candy and chocolate
All the bad girls not allowed And he says as he thinks I'm sleeping
He whispers "Girl, you are the one,
Never thought I could feel this way,
Girl, you made me believe" Hold me in your arms
'Cause I'm falling
Hold me in your arms
While we're sleeping
Hold me in your arms Though I'm a little scared
That all the times we shared
Almost too perfect to ever last And when I'm lying here
And you are holding me
I know the fear in me will pass Hold me Hold me in your arms
'Cause I'm falling
Hold me in your arms
While we're sleeping
Hold me, hold me
Hold me in your arms Hold me in your arms
'Cause I'm falling
Hold me in your arms
While we're sleeping
Hold me, hold me, hold me in your arms
