Advisory - the following lyrics contain explicit language:

Read through the lies it's our turn to lose!!! We're all gonna die on the six o'clock news. Television taught us what to think EVERYONE I KNOW IS FULL OF SHIT!!! Propaganda we stand tall. The bigger we get the harder we fall!!! Violence is fun when we're watching it. EVERYTHING TODAY IS FULL OF SHIT. NO VALUES!!! What would you do if you were in their shoes? I don't think you can handle the truth. Stop kidding yourself with your ignorance. You're the fucking clown who's full of shit!!! WE'RE TOO FAR TO TURN BACK. Overwhelmend by the coming fate. The possibilities are endless... STAY TUNED FOR YOUR JUDGEMENT!!!
