

Lay It Down

Journey

Lookin' 'round for a feelin'
I love the rhythm and blues
The place was rockin' and reelin'
I thought I'd shake me loose
The band was pumpin' Motown
Lord, how they could play
The girls a-started singing
Rock the night away
By the midnight hour
They could've raised the dead
They were takin' it higher
Higher, higher, higher, ringin' in my head

Lay it down

(Lay it down)

Lay it down

(Lay it)

Lay it down

(Lay it down)

Lay it down

Whiskey, wine and women
They get me through the night

I ain't lookin' for trouble

I ain't lookin' to fight

A little vertical persuasion

Would do me right

What I'm really needin'

Ah, double shot tonight

By the midnight hour

We were on our way

She was takin' it higher

Higher, higher, higher, then I heard her say

Lay it down

(Lay it down)

Lay it down

(Lay it, lay it)

Lay it down

(Lay it down)

Lay it down

By the midnight hour

We were on our way
She was takin' it higher
Higher, higher, higher, then I heard her say

Baby

Lay it down

(Lay it down)

Lay it down

(Lay it)

Lay it down

(La' la' lay it down)

Lay it down

(La' la' la' lay it)

Lay it down

(Lay it down)

Lay it down

(La' la' la' la' lay it)

Lay it down

(Lay it down)

Lay it down
