

In The Mood

Robert Plant

I'm in the mood for a melody
I'm in the mood for a melody
I'm in the moodI'm in the mood for a melody
I'm in the mood for a melody
I'm in the moodI'm in the mood for a melody
I'm in the mood for a melody
I'm in the moodI can make you dance
I can make you sing
I can make you dance
I can make you sing
If you want me toOh, I can make you dance
I can make you sing
I can make you dance
I can make you sing
If you want me toOh, I can make you dance
I can make you sing
I can make you dance
I can make you sing
If you want me toAny little song that you wanna sing
Little song that you wanna sing
Sung in lieuAny little song that you wanna sing
Little song that you wanna sing
Song for youA little song that you wanna sing
A little song that you wanna sing
You're blueI'm in the mood
I'm in the mood
I'm in the mood[Incomprehensible]
Do anything that you want me for
If you want me toDo it right, do it wrong
'Cause a matter of fact
It'll turn out to be strong
If you want me toOh, if you want me to
If you want me to
