Flying High Falling Low

Walking On Cars

They lived to/two circles
And they bought you expensive suits
And every evening we watched them on the newsIs that time the year again
and you know i'd love to buy you something
But you know that i've got nothing
You know that i've got nothingPlease
I've had enough
Please
I've had enough
In circles i'm turning
From this world i'm burning
Tell me what happens after this
Somedays i'm flying high, i'm falling low
Somedays i'm made of gold, i'm made of stone
Somedays i'm flying high, i'm falling low
Somedays i'm made of gold, i'm made of stoneI promised you better, but this is all i have
You say it's okay and you take me as i amIs that time the year again
and you know i'd love to buy you something
But you know that i've got nothing
You know that i've got nothingPlease
I've had enough
Please
I've had enough
In circles i'm turning
From this world i'm burning
Tell me what happens after this
Somedays i'm flying high, i'm falling low
Somedays i'm made of gold, i'm made of stone
Somedays i'm flying high, i'm falling low
Somedays i'm made of gold, i'm made of stoneIs that time the year again
and you know i'd love to buy you something
But you know that i've got nothing
You know that i've got nothing
Is that time the year again
and you know i'd love to buy you something
But you know that i've got nothing
You know that i've got nothingPlease
I've had enough
Please

I've had enough
In circles i'm turning
From this world i'm burning
Tell me what happens after thisSomedays i'm flying high, i'm falling low
Somedays i'm made of gold, i'm made of stone
Somedays i'm flying high, i'm falling low
Somedays i'm made of gold, i'm made of stoneIs that time the year again
and you know i'd love to buy you something
But you know that i've got nothing
You know that i've got nothing
Is that time the year again
and you know i'd love to buy you something
But you know that i've got nothing
You know that i've got nothing
