For a Nickel In the Road

Stampead

so youâ€™re taking my picture
you say you want to remember
it better than it ever was

but I see you laughing
I see you smiling
yes Iâ€™ll see you until the morning ends

now youâ€™re lying so easy
saying youâ€™re lying to please me
and the stories grow everyday

but I see you hiding
I see you crying
Iâ€™ll see you till the morning ends

and you get me one more time again
but I know youâ€™ll leave me
I know youâ€™ll leave me
for a nickel in the road

And so somebody loves you
Yeah somebody wants you
And you tell me itâ€™s only a game

But I see you lying
I see you hiding
Iâ€™ll see you until the morning ends

Than you get me one more time again
Cuz I know youâ€™ll leave me
I know youâ€™ll leave me
For a nickel in the road
