

# Wild Thing Runs Free

## Teen Suicide

I'm bored by love  
some idea of  
wild thing runs free  
what could it mean to me?  
this is all I've got, it's all I've got  
do a watercolor  
of the cat on the front porch  
how do you keep talking  
when your language is dying?  
this is all I've got, it's all I've got
