

# Looking For Clues

Robert Palmer

It's crazy but I'm frightened by the sound of the telephone, oh yeah  
I'm worried that the caller might have awful news, oh my'  
Who knows these days where on earth the money goes, oh yeah  
No doubt we could put it to a better use, oh my You keep insisting that nobody showed you how to keep  
relationships, oh yeah  
Your daddy made a real good try, oh my  
You said you knew all along  
We could work it out, oh yeah  
Do you have to make a fuss every time we fly  
Oh I'm looking for clues I have to make an effort now I just to be serious, oh yeah  
Nobody's gonna give you the benefit of the doubt, oh my  
Every time I pick a paper up it's harder to believe the news, oh yeah  
I'm gonna have to shake it up and twist and shout, oh my You can't do nothing that you don't put your mind to,  
oh yeah  
I suspected all along you were a dream come true, oh my  
I'm never in the dark 'cause my heart keeps me well informed, oh yeah  
I'm convinced that there's a way of getting through to you  
Ooh I'm looking for clues It's crazy but I'm frightened by the sound of relationships, oh yeah  
I swear we could put it to a better use, oh my  
Do hurry baby you've forgotten how to catch a night groove, oh yeah  
You told all the callers you were not amused oh I'm looking for clues You keep insisting that nobody showed  
you how to use a telephone, oh yeah  
Nobody's gonna give you a second chance, oh my  
I don't have to make an effort now to find out where the money goes, oh yeah  
Do you have to make a fuss every time we dance  
Ooh I'm looking for clues Do ya do ya do ya do ya  
Ooh I'm looking for clues  
Ooh I'm looking for clues  
Ooh I'm looking for clues Do ya do ya do ya do ya  
Ooh I'm looking for clues  
Ooh I'm looking for clues  
Ooh I'm looking for clues
