

# More Than Ever

Nelson

Do I, do I love you, baby?  
Yeah, yeah, yeah, yeah  
More than ever  
More than ever, baby I remember all I wanted in a lover was just a pretty face  
But all I found were hearts of stone  
Spent a lifetime on the road to nowhere  
'Til I found my way back home You gave me shelter  
From the cold and the rain  
Whoa, and now I know pleasure  
Where there used to be pain Do I, do I love you, baby?  
Yeah, yeah, yeah, yeah  
More than ever Do I, do I need you, baby?  
Yeah, yeah, yeah, yeah  
More than ever  
More than ever, baby You saved me with warmth and understanding  
You're everything that I could ever want  
And after so long we're standing here together  
And forever we'll live on In time most other loves  
Just wither and fade  
I tell ya, ours just gets stronger  
Each and every day Do I, do I love you, baby?  
Yeah, yeah, yeah, yeah  
More than ever Do I, do I need you, baby?  
Yeah, yeah, yeah, yeah  
More than ever Hey, hey, come over here for a second  
I got something I wanna say  
More than ever I just want you to know that  
Even though I may not think to tell you every day  
Ooh, I'm so happy you're still mine Oh, you came along with a love so sweet  
Took me by surprise, knocked me off my feet  
You still send shivers up and down my spine  
Oh, I gotta be the luckiest man alive Do I, do I love you, baby?  
Yeah, yeah, yeah, yeah  
More than ever Do I, do I need you, baby?  
Yeah, yeah, yeah, yeah  
More than ever Do I, do I love you, baby?  
Yeah, yeah, yeah, yeah  
More than ever
