The Touch (1997 Remix)

Stan Bush

You got the touch, you got the powerAfter all is said and done, you've never walked
You've never run, you're a winner
You got the moves, you know the streets
Break the rules, take the heat, you're nobody's foolYou're at your best when when the goin' gets rough
You've been put to the test but it's never enoughYou got the touch, you got the power
When all hell's breakin' loose
You'll be riding the eye of the stormYou got the heart, you got the motion
You know that when things get too tough
You got the touchYou never bend, you never break, you seem to know
Just what it takes, you're a fighter, it's in the blood
It's in the will, it's in the mighty hands of steel
When you're standin' your groundAnd you never get hit when your back's to the wall
Gonna fight to the end and you're takin' it allYou got the touch, you got the power
When all hell's breakin' loose
You'll be riding the eye of the stormYou got the heart, you got the motion
You know that when things get too tough
You got the touchYou're fightin' fire with fire, you know you got the touch
You're at your best when when the road gets rough
You've been put to the test, but it's never enoughYou got the touch, you got the power
You got the touch, you got the power
