

The Touch (1997 Remix)

Stan Bush

You got the touch, you got the power
After all is said and done, you've never walked

You've never run, you're a winner

You got the moves, you know the streets

Break the rules, take the heat, you're nobody's fool
You're at your best when when the goin' gets rough

You've been put to the test but it's never enough
You got the touch, you got the power

When all hell's breakin' loose

You'll be riding the eye of the storm
You got the heart, you got the motion

You know that when things get too tough

You got the touch
You never bend, you never break, you seem to know

Just what it takes, you're a fighter, it's in the blood

It's in the will, it's in the mighty hands of steel

When you're standin' your ground
And you never get hit when your back's to the wall

Gonna fight to the end and you're takin' it all
You got the touch, you got the power

When all hell's breakin' loose

You'll be riding the eye of the storm
You got the heart, you got the motion

You know that when things get too tough

You got the touch
You're fightin' fire with fire, you know you got the touch

You're at your best when when the road gets rough

You've been put to the test, but it's never enough
You got the touch, you got the power

You got the touch, you got the power
