Habits (Stay High)

Young Rising Sons

Uh-uh uh-uh uh-uh
I eat my dinner in my bathtub
Then I go to sex clubs
Watching freaky people getting it on
It doesn't make me nervous
If anything I'm restless
Yeah I've been around and I've seen it allI get home, I got the munchies
Binge on all my Twinkies
Throw up in the tub, then I go to sleep
And I drank up all my money
Tasted kind of lonelyYou're gone and I got to stay high
All the time to keep you off my mind, ooh ooh
High all the time to keep you off my mind, ooh ooh
Spend my days locked in a haze
Trying to forget you babe, I fall back down
Gotta stay high all my life to forget I'm missing youPick up daddies at the playground
How I spend my day time
Loosen up the frown, make them feel alive
I make it fast and greasy
I know my way too easyYou're gone and I got to stay high
All the time to keep you off my mind, ooh ooh
High all the time to keep you off my mind, ooh ooh
Spend my days locked in a haze,
Tryin' to forget you babe, I fall back down
Got to stay high all my life to forget I'm missing youStaying in my play pretend
Where the fun ain't got no end
Oh, can't go home alone again
Need someone to numb the pain
Oh, staying in my play pretend
Where the fun ain't got no end
Oh oh can't go home alone again
Need someone to numb the painYou're gone and I got to stay high
All the time to keep you off my mind, ooh ooh
High all the time to keep you off my mind, ooh ooh
Spend my days locked in a haze
Tryin' to forget you babe, I fall back down
Got to stay high all my life to forget I'm missing you
