

December

The Pixels

Why drink the water from my hand?
Contagious as you think I am
Just tilt my sun towards your domain
Your cup runneth over again
Don't scream about, don't think aloud
Turn your head now baby just spit me out
Don't worry about, don't speak of doubt
Turn your head now baby just spit me out
Why follow me to higher ground?
Lost as you swear I am
Don't throw away your basic needs
Ambiance and vanity
Don't scream about, don't think aloud
Turn your head now baby just spit me out
Don't worry about, don't speak of doubt
Turn your head now baby just spit me out
Don't scream about, don't think aloud
Turn your head now baby just spit me out
Don't worry about, don't speak of doubt
Turn your head now baby just spit me out
December promise you gave unto me
December whispers of treachery
December clouds are now covering me
December songs no longer I sing
December promise you gave unto me
December whispers of treachery
December clouds are now covering me
December songs no longer I sing
Don't scream about, don't think aloud
Turn your head now baby just spit me out
Don't worry about, don't speak of doubt
Turn your head now baby just spit me out
Don't scream about, don't think aloud
Turn your head now baby just spit me out
Don't worry about, don't speak of doubt
Turn your head now baby just spit me out
