

Kings and Queens

Thirty Seconds to Mars

Into the night
Desperate and broken
The sound of a fight
Father has spoken We were the kings and queens of promise
We were the victims of ourselves
Maybe the children of a lesser God
Between heaven and hell
Heaven and hell Into your eyes
Hopeless and taken
We stole our new lives
In defense of our dreams
In defense of our dreams We were the kings and queens of promise
We were the victims of ourselves
Maybe the children of a lesser God
Between heaven and hell
Heaven and hell The age of man is over
A darkness comes at dawn
These lessons that we learned here
Have only just begun We were the kings and queens of promise
We were the victims of ourselves
Maybe the children of a lesser God
Between heaven and hell We are the kings
We are the queens
We are the kings
We are the queens
