Zoomer

Brian McFadden

Hey girl let's make a pledge
I'm hanging right out on the edge for you
My honesty's over the cliff
Nothing seems to exist without youPlease don't misunderstand
You're still part of the planIm taking whats breaking me, shake it up making it right
Zoomer Zoomer
I'm blowing it knowing that everything's gonna be fine
Zoomer Zoomer
I'm choking from joking and toking I'm hoping
I'm always gonna feel like I'm
A zooma...
Zoom zoom zoomDo I get all I deserve
Am I hitting a nerve or two?Why you looking so scared
It's not as if I came unprepared
To do all I have to do
I'll see it throughIm taking whats breaking me, shake it up making it right
Zoomer Zoomer
I'm blowing it knowing that everything's gonna be fine
Zoomer Zoomer
I'm choking from joking and toking I'm hoping
I'm always gonna feel like I'm
A zooma...
Zoom zoom zoomLife never runs smooth or on straight lines
So why she we make do without a fightIm taking whats breaking me, shake it up making it right
Zoomer Zoomer
I'm blowing it knowing that everything's gonna be fine
Zoomer Zoomer
I'm choking from joking and toking I'm hoping
I'm always gonna feel like I'm
A zooma...
