Keep Walkin' On

Statement

Well in this world of sorrow
Trouble and temptation
Yeah, Jesus always promised trial and tribulation
He said, "You don't have to fret or fear"Children, be of good cheer
And keep walkin' on
Children, keep walkin' on, keep walkin' on
Yeah, keep walkin' onIn Jesus Christ the truth is found
He'll keep our feet on solid ground
Sometimes we have to just believe
He put in the book for us to readSatan you can't fool this girl
My Lord overcame this world
Keep walkin' on, hey, keep walkin' on
Keep walkin' on, hey, keep walkin' onJesus walked on the water, Peter walked on it too
God gave you the power to do what you cannot do
Well every road we travel he's traveled down before
There ain't no need to worry where it leads to anymoreI'm walkin' on, I'm walkin' on
I'm walkin' on, I'm walkin' on
I'm walkin' on, yeah, I'm walkin' onWell the road is narrow and it's straight
But it leads right up to the golden gate
It may be rough it may be long
But I don't have to walk aloneStep by step and day by day
He takes my hand and I hear Him say
"Keep walkin' on, keep walkin' on
Keep walkin' on, keep walkin' on"What you gonna do, can't pay that rent
Hey, what you gonna do, tell me, when the money's spent
What you gonna do when you just can't cope
Hey, what you gonna do, yeah, when you're outta hopeKeep walkin' on, keep walkin' on
Keep walkin' on, keep walkin' on
Keep walkin' on, keep walkin' on
Keep walkin' on, keep walkin' on
