

Endless Summer (Microwave Prince Remix)

Scooter

Party people
The sky has changed, can you smell the sun?
It's time for the most exciting season
It's time for summer, an endless summer! Here we go again! Alright!
Clap your hands
Yes!
Rough radical Move to the baseline
Move to the baseline
Jump jump
Move to the baseline
Jump jump jump Endless summer, endless summer
Can you feel it?
Endless summer, endless summer
Love is in the air
Endless summer, endless summer
Party people
Endless summer, endless summer
Ravers Come follow me, come follow me
Come follow me this sunny day
Come follow me, come follow me
Come follow me this sunny day
Come follow me, come follow me
Come follow me this sunny day
All the people on the beach
Start raving this way Endless summer, endless summer
Can you feel it?
Endless summer, endless summer
Love is in the air
Endless summer, endless summer
Party people
Endless summer, endless summer
Ravers Endless summer, endless summer
Love is in the air
Endless summer, endless summer
Generation of the future! See ya
