## Wry

I'm so disappointed and all alone  
I miss my childhood and all I've known  
Is this wanting all I need  
I know i found the answer  
If I could only see, If I could only see  
The answer lies in me  
It's all too hard to force a chance  
We fret too much about this world  
Just be your own and face each day  
Answers will slowly come your way  
I'm so full of purpose, But void of means  
I can't be certain of anything

Has this wanting taken me  
I know I'd find the answer  
If I could only see, If I could only see  
The answer lies in me  
I would like to make things perfect.  
But I can't seem to get it right  
Only steps away from the answers.  
But I can't reach them  
Now, I realize the answers will  
Come to me in time  
I cannot reach them  
They can reach me
