

# I Snub You

## Iggy Pop

One, two, three, four  
Five, six, seven, eight  
Let's go You are a moron  
I'm glad to be here  
Seeing the sight of you  
Smelling the smell of you You most deplorable glaring example  
Of a degenerate narcotic influence  
My seething hate is driving me nuts  
What can I do to obliterate you? I snub you I really hope you're one of a kind  
You don't care who you brutalize  
You are a bully plain and simple You are a beast you are a pig  
You've been a pig for long enough now  
I'm making my move  
I'm making an end to you I snub you  
And when I snub  
I really snub  
I snub you finally, forever Is she really going out with him?  
You are one of a kind Now is the time  
I'm playing my ace  
I'll give you a mouthful  
You can't swallow Unquestionably I've been lacking in taste  
You're being cheerful but not for long  
Your Mum and Dad they sure made a mess  
You're going to look like watercress When I snub you  
He snubs you  
We snub you  
Dogs snub you  
I snub you Four, seven, twelve, two, six
