Money City Maniacs

Sloan

All you've found is another back door
That no one sees a reason for
At the heart of the traveling band
You have to understand
There's a driving need to hit the yellow lineAnd the joke is when he awoke his
Body was covered in coke fizz
And the joke is when he awoke his
Body was covered in coke fizzHey you
You've been around for a while
If you'll admit that you were wrong then we'll admit that we're rightHey you
Come on along for the ride
We'll hit the money city if it takes us all nightAnd the joke is when he awoke his
Body was covered in coke fizz
And the joke is when he awoke his
Body was covered in coke fizzHey you
You've been around for a while
If you'll admit that you were wrong then we'll admit that we're rightTake the heart of the traveling band
You'll never understand that
All they know is the yellow line, yeahAnd the joke is when he awoke his
Body was covered in coke fizz
And the joke is when he awoke his
Body was covered in coke, yeah yeah yeahJoke is when he awoke his
Body was covered in coke, yeah yeah yeah
Joke is when he awoke his
Body was covered in coke fizz
