

Dim All The Lights (Duke Dumont Remix)

Donna Summer

Dim all the lights sweet darling
cause tonight it's all the way
turn up the old victrola
gonna dance the night away Love just don't come easy
no it seldom does
when you find the perfect boy
let him fill you up Dim all the lights sweet darling
cause tonight it's all the way, hey baby
turn up the old victrola
gonna dance the night away Love just don't come easy
no it seldom does
when you find the perfect boy
let him fill you up Dim all the light sweet honey
cause tonight it's you and me
no need to worry darlin'
cause it's all you really need Love don't come easy
this you know I understand
want to be your woman
if you'll be my man
let yourself go freely and I'll
show you things that you've dreamed of
don't think that your dreaming
we've found the perfect love
and I'm like a cup come fill me up Dim all the lights sweet darlin'
cause tonight it's all way, woah baby
turn up the old victrola
gonna dance the night away Do what you want
you can use me all up
take me bottom to top
don't leave even one drop No, no, no do it tonight
you know the moments so right
turn my brown body white
come on dim all the lights Dim all the lights sweet darlin'
cause tonight it's all the way, hey baby
turn up the old victrola
gonna steal you heart away, hey baby
dim all the lights sweet darlin'
dim it, dim it, and dance the night away
dim all the lights sweet honey

gonna steal your heart away, keep on dancin'.
dim all the lights the lights sweet darlin, nothing
nothing, can steal my heart away
