

Street College

Head Wound City

Eye's gagging! under neon lights. youth wrecked! white loads of wasted
Time. youth spent! listen to the fingernails singing on the chalkboard. yeah!

Watch the teachers pet. yeah! he's just a heart attack. yeah! he's just a
Heart attack waiting to happen. pass a note to the back of the classroom
Ugly words come from a bitter man--he shoved the best years of his life

Down a trashcan. youth wrecked! youth spent!
