

We'll Be Fine

Chrome Cats

[Verse 1: Kj]

On a roll up out a struggle,
Hoodie out the duffle
The world is canvas & the atlas is a puzzle
And words speak in colors so I threw away the muzzle
Steady doggin' all the puddles put the team up in a huddle
The mission is all I know, I gotta get it go
Rocky steady & let it flow, I never could let it go,
Go in on a new stage, the story to a new page
Beam like a new day, we beam like a new ray
With a ride on tide chasing on the inner prize,
Got the drive & the ride Iâ€™m really on my enterprise

Pre-Hook:

As the time flies by my mindâ€™s on no delay
Sometimes it gets so heavy
Iâ€™m ready, Iâ€™m ready Yeah

Hook:

When the sun goes down comes the moon
Stayinâ€™ out late we ainâ€™t going home soon
Kick it all day woke up around noon
Runninâ€™ out of time with too much to do
I just know (Weâ€™ll Be Fine Now, Weâ€™ll Be Fine) x2

[Verse 2: Jamila]

We'll be fine
Even when the fineâ€™s hard to find
Fine nights, Good vibes is our paradise
We don't care If they don't care
But you should be here
Yea you should be here
Now weâ€™re, Top down on the 95
Summer breeze as the time flies
Feeling like its gon' be a ride
Feeling like its gon' be alright

Waves catching the current
I'm just livin in current
Moments passing away but moment held always
Ya down want you to show it
Down then we can own it
'For these nights
These nights get colder

Pre-Hook:

As the time flies by my mindâ€™s on no delay
Sometimes it gets so heavy
Iâ€™m ready, Iâ€™m ready Yeah

Hook:

When the sun goes down comes the moon
Stayinâ€™ out late we ainâ€™t going home soon
Kick it all day woke up around noon
Runninâ€™ out of time with too much to do
I just know (Weâ€™ll Be Fine Now, Weâ€™ll Be Fine) x2
