

Uma Thurman

KIDZ BOP Kids

I can move mountains
I can work a miracle, work a miracle
Oh oh
Keep you like an oath
May nothing but this do us part She wants to dance like Uma Thurman
Talk to me till I confess
She wants to dance like Uma Thurman
And I can't get you out of my head The stench, the stench
Of sunny heads
It ends through eternity
Oh yeah yes
Divide me down to the smallest I can be
With your, with you, venom in me I can move mountains
I can work a miracle, work a miracle,
Oh oh
Keep you like an oath
May nothing but this do us part She wants to dance like Uma Thurman
Talk to me till I confess
She wants to dance like Uma Thurman
And I can't get you out of my head
The love, the love
The love of a lamb
Is worth two lions but here I am
And I slept in last night's clothes
And tomorrow's dreams
But they're not quite what they seem
I can move mountains
I can work a miracle, work a miracle,
Oh oh
Keep you like an oath
May nothing but this do us part You'll find a way
And may love find you alive
Take me down the line
In turn city we turn the tide
I can move mountains
I can work a miracle, work a miracle,
Oh oh
Keep you like an oath
May nothing but this do us part

I can move mountains
I can work a miracle, work a miracle
Oh oh
Keep you like an oath
May nothing but this do us part
