

# Secret Valentine (Radio Mix)

## We The Kings

Soft kiss and wine what a pretty friend of mine  
We're finally intertwined  
Nervous and shy for the moment we will come  
Alive tonight Secret valentine We'll write a song  
That turns out the lights  
When both boy and girl start suddenly shaking inside  
Don't waste your time  
Speed up your breathing  
Just close your eyes  
We'll hope it's not for nothing at all Lay down be still  
Don't worry talk they will  
I'll be loving you until  
Morning's first light  
Breaks tomorrow  
I'll take care of you tonight Secret valentine We'll write a song  
That turns out the lights  
When both boy and girl start suddenly shaking inside  
Don't waste your time  
Speed up your breathing  
Just close your eyes  
We'll hope it's not for nothing at all When guilt fills your head  
Brush off rise up from the dead  
This is the moment that we  
Will come alive  
Brace yourself for love  
Sweet love, secret love We'll write a song  
That turns out the lights  
When both boy and girl start suddenly shaking inside  
Don't waste your time  
Speed up your breathing  
Just close your eyes  
We'll hope it's not for nothing at all
