

Ship To Shore

Belgrade Philharmonic Orchest

Ship to shore, do you read me anymore?

This line is bad and fadin'

Ship to shore, answer my call

Send me a signal, a beacon to bring me home I have been to see the world, tasted life at every turn

And all the time your face came back to haunt me

Day by day the feelin' grew, I know I'm still in love with you

The further that I go the more I know it, I wanna show it Ship to shore, do you read me anymore?

This line is bad, and fadin'

Ship to shore, answer my call

Send me a signal, a beacon to bring me home Movin' fast, all systems go, you and I had time to grow

Before there was a breakdown in transmission

How I wish that we could turn the clock back to the days

When we were lovers in the true sense of the meanin'

You must believe me Ship to shore, do you read me anymore?

This line is bad, I'm drownin'

Ship to shore, answer my call

Send me a signal, a beacon to bring me home Ship to shore, ship to shore

Ship to shore, ship to shore

Ship to shore, ship to shore (Ship to shore)

I cannot believe my eyes, but I think I see a light

(Ship to shore, ship to shore)

(Ship to shore, ship to shore, ship to shore) (Ship to shore)

You are everything I've always wanted in my life

(Ship to shore, ship to shore)

(Ship to shore, ship to shore)
