I wanna rock right now
I want I wanna rock right now
I want I wanna rock right now
Now, now, rock right now
I want I wanna rock right now
I want I wanna rock right now
I want I wanna rock right now

I wanna dance, I wanna dance in the light
I wanna rock, I wanna rock yo body
I wanna go, I wanna go for a ride,
Up in the music & rock yo body right

Rock ya body, come on come on rock that body, (Rock your body)
Rock ya body, come on come on rock, ya, body
Rock ya body, come on come on rock that body (Rock yo body)
Rock ya body, come on come on rock, ya, body!

Let me see your body rock
Shakin' from the bottom to the top
Freak to what the Dj drop
We be the ones to make it hot, (To make it hot)
Electric shock, energy like a million watts
Space be boom and the speakas pop
Galactic gone and miss the spot
We bumpin' in your parkin' lot!

(Parkin' lot)
When you comin' up in the spot
Don't bring nothin' we,
'Cause we running around the clock
Hit the lights and then turn them off
If you bring that don't make you soft
Like the jungle we run the block
No one rollin' the way we rock!

I want I wanna rock right now
I want I wanna rock right now
I want I wanna rock right now

I wanna dance, I wanna dance in the light
I wanna rock, I wanna rock yo body
I wanna go, I wanna go for a ride
Up in the music & rock yo body right

Rock ya body, come on come on rock that body, (Rock that body)
Rock ya body, come on come on rock, ya, body
Rock ya body, come on come on rock that body (Rock your body)
Rock ya body, come on come on rock, ya, body!

Super fly ladies, All on my
Super fly ladies, All on my
Super fly ladies, All on my
Super Super fly ladies

Yeah, you could be big
But
Long as you feel like you're all
You could be the model type
Skinny with no appetite
Short stacks, black or white
Long as you do what you like
Body outta sight
Body (Body Outta Sight)

She does the two step
And the tongue drop
She does the cabbage patch
And the bus stop
She like Electro, she love Hip Hop
She like the Reggae, she feel Punk Rock
She like the Samba, and the Mambo
She like to Break Dance, and Calypso

Get a little crazy, get a little stupid
Get a little crazy (little crazy, little crazy)

I wanna dance, I wanna dance in the light
I wanna rock, I wanna rock yo body
I wanna go, I wanna go for a ride
Up in the music & rock yo body right

Rock yo body right
Rock yo body Yeah
