

For the Holidays

Ian Guerin

I ainâ€™t gonna lie
I donâ€™t like the way things are
But I wonâ€™t just sit & I cry, I wonâ€™t

Christmas timeâ€™s a time
Made for us to celebrate
The love in the winter air, so Iâ€™m

Gonna take a risk
Wear my heart upon my sleeve
Iâ€™mma try to make a date with you

I know what I said
â€œYou insist you loose the gameâ€•
But Santaâ€™s just too busy now

He wonâ€™t take my call
Thereâ€™s no signal on the North Pole

Hereâ€™s the deal babe
Letâ€™s be an item from the 1st
To the 31st
Share some love & parties
The gifts & the joy
Then, if we like it
We can take it to bigger proportions
In January

I never gave you up
Donâ€™t you think for just one second I gave you up
I didnâ€™t & I wonâ€™t
So I hope we can call us â€œloveâ€•
At least for the holidays
At least for the holidays â€œmy loveâ€•

Please make it happen
Please make it happen for us this Christmas
So we wear Santa hats
Like my friends did back in high-school
Hohoho

We might look stupid when we walk in the room
But theyâ€™ll wish they were wearing them too
Theyâ€™ll say itâ€™s sad
To hide the fact
That they think that we look cute

No gift canâ€™t buy that feeling you give to me
Only you can make it bloom
So if you got doubts
Please remember that

I never gave you up
Donâ€™t you think for just one second I gave you up
I didnâ€™t & I wonâ€™t
So I hope we can call us â€œloveâ€•
At least for the holidays
At least for the holidays

My love
If we both want it
Weâ€™ll get it
Just reply my text
Set a date
& weâ€™ll get at it
You know it
We donâ€™t need Rudolph to guide us
Hohoho
Weâ€™ll be our own Santa
Exchange gifts & kisses
All the mistletoes
Weâ€™ll be marked â€œwe were hereâ€• babe

I never gave you up
Donâ€™t you think for just one second I gave you up
I didnâ€™t & I wonâ€™t
So I hope we can call us â€œloveâ€•
At least for the holidays
At least for the holidays â€œmy loveâ€•

I never gave you up
Donâ€™t you think for just one second I gave you up
I didnâ€™t & I wonâ€™t
So I hope we can call us â€œloveâ€•
So I hope we can call us â€œloveâ€•
At least for the holidays

At least for the holidays
