

Sorcerer

Norma Jean Wright

I'm tired, I'm thirsty
I'm wild eyed in my misery
 Timeless in your finery
A high price for your luxury
 Sorcerer who is the master
Man and woman on a star stream
 In the middle of a snow dream
 Sorcerer show me the high life
Come over let me put you on ice
 All around black ink darkness
Who found the lady from the mountain
 All around black ink darkness
Who found the lady from the mountain
 Lady from the mountain
 I'm tired I need you badly
I'm wild eyed in the middle of your dream
 Timeless in your finery
 It's a high price for your luxury
 Sorcerer who is the master
Man and woman on a star stream
 In the middle of a snow dream
 Sorcerer show me the high life
Come over let me put you on ice
 All around black ink darkness
Who found the lady from the mountain
 All around black ink darkness
Who found the lady from the mountain
 Lady from the mountain
 Won't you tell me who found
 The lady from the mountain
 Won't you tell me who found
 Who found, tell me who found
 Who found, tell me who found
 I'm tired, I'm thirsty
 I'm wild eyed in my misery
 Tired, thirsty, wild eyed in my misery
 In my misery, in my misery, in my misery
