Follow You Home

Nickelback

Advisory - the following lyrics contain explicit language:

You can dig me up a grave
And try and stick me in the ground
Well, you can tie me to the bed
And try and beat me half to death
But you can never keep me downYou can stick me in a hole
And you can pray all day for rain
Well, you can shoot me in the leg
Just to try to make me beg
And you can leave me there for daysAnd Ill stay alive just to follow you home
And I will surviveCause youre my Mississippi Princess
Youre my California Queen
Like the Duchess of Detroit
And every city in betweenYou can slap me in the face
And you can scream profanity
Leave me here to die alone
But Ill still follow you home
Ill still follow you homeYou can make a couple calls
And tell your brothers, Im in town
Put a bounty on my head
And tell my parents that Im dead
And hope to hell Im never foundYou can steal me the keys
To your daddys Cadillac
You can tamper with the brakes
Call it a mistake
And pray Im never coming backAnd Ill stay alive just to follow you home
And I will surviveCause youre my Mississippi Princess
Youre my California Queen
Like the Duchess of Detroit
And every city in betweenYou can slap me in the face
And you can scream profanity
Leave me here to die alone
But Ill still follow you home

Ill still follow you homeYou can dig me up a grave
And try and stick me in the ground
You can tie me to the bed
And try and beat me half to death
But you can never keep me downAnd I will surviveCause youre my Mississippi Princess
Youre my California Queen
Like the Duchess of Detroit
And every city in betweenYou can slap me in the face
And you can scream profanity
Leave me here to die alone
But Ill still follow you home
Ill still follow you home
Ill still follow you home
