

White Meat

Lil Jon

Ya, Full of all kinda drugs high as a giraffe pussy nigga
Betta not get too close nigga betta not try to push me
We got them thangs I mean them thangs that go bang bang
Don't give a fuck who you is don't give a fuck if you got some change
Take yo niggas, take yo watch, and take yo diamond ring
Way back in the game when the niggas used to have to sell rock cocaine
Right now today, ima grab the mic and bring the pain
Go fuckin insane, eveything I say goes straight to yo brain
Lil jon on the beat bout to tear this bitch up out the frame
You betta leave if you think you just a little lame
Chuck yo chain don't get caught when this song here come on
