Versus

Mary Anne Hobbs

Distance versus time
Cutting verses down to size
Focus versus tears versus how did I get here
Versus curses in your eyes
Force of nature versus range
Nature versus what is strange
There's a fire starting here versus there's nothing to fear
Versus lonely versus safe
Like a kitten versus rain
A cathedral versus love versus shame
Free versus out to sea
Versus versus versus me, versus me
Distance versus time
Cutting verses down to size
Focus versus tears versus how did I get here
Versus curses in your eyes
Force of nature versus range
Nature versus what is strange
There's a fire starting here versus there's nothing to fear
Versus lonely versus safe
Like a kitten versus rain
A cathedral versus love versus shame
Free versus out to sea
Versus versus versus me, versus me
Like a kitten versus rain
A cathedral versus love versus shame
Free versus out to sea
Versus versus versus me, versus me
