Invisible

George Acosta feat. Truth

Perhaps you didn't notice me
I'm invisible, I can't be seen
Maybe I'm just not like everyone
I fade a little more each day
Nothing to get but less to say
It's hard to feel when all you feel is numb

I keep looking at you
Keep looking right through
Like I'm invisible
Who do I have to be
For you notice me
I must be invisible
I am invisible

Nothing's real and nothing matters
Fell apart, the pieces scattered
I could disappear without a trace
I'm all around but can't get in
I'm on the outside looking in
Like the wind, I'll blow you all away

I keep looking at you
Keep looking right through
Like I'm invisible
Who do I have to be
For you notice me
I must be invisible
I am invisible

You make me what I am
I can't believe you
Didn't see the sunlight
So if I'm invisible
Who's ever gonna
Pin me with a crime
I am invisible

I am, I am, I am
I am invisible

I am, I am, I am

I keep looking at you
Keep looking right through
Like I'm invisible
Who do I have to be
For you notice me
I must be invisible
I am invisible
