

No Turning Back

for KING & COUNTRY

I used to be a beggar
Down on calloused knees
Til I got an invitation
Into the courts of the King

Iâ€™m movinâ€™ on, Iâ€™m movinâ€™ on
Iâ€™m movinâ€™ on, keep moving
Iâ€™m movinâ€™ on, Iâ€™m movinâ€™ on
Iâ€™m movinâ€™ on

You gave me my freedom
Now I'm free indeed

I'm marching out of the doubt into trust
Out of the me into us
No turning back, no turning back
No turning back
Iâ€™m falling head over heels into love
Leaving regret in the dust
No turning back, no turning back
No turning

No turning back, no

And If Iâ€™m caught in the crossfire
I will stand my ground
And even if I were to lose my life
Your arms are where Iâ€™ll be found

I'm marching out of the doubt into trust
Out of the me into us
No turning back, no turning back
No turning back
Iâ€™m falling head over heels into love
Leaving regret in the dust
No turning back, no turning back
No turning

No turning back, oh, oh no

I used to be a beggar
Now Iâ€™m free indeed

Out of the doubt into trust
Out of the me into us
No turning back, no turning back
No turning

I'm marching out of the doubt into trust
Out of the me into us
No turning back, no turning back
No turning back
Iâ€™m falling head over heels into love
Leaving regret in the dust
No turning back, no turning back
No turning

No turning back, oh, oh no

No turning back, no turning back
No turning back, no turning back
