

Bitter Fuck

Joji

I find it hard to be myself
I shed my skin for everybody else
You don't know me, what the fuck you mean?
You made me sad and you made me mean
And now I'm mad I feel unclean
(I feel unclean, I feel unclean)
'Cause I'm a bitter fuck
I'm a bitter fuck
You made me a bitter fuck
(Ay, ay) Now I'm a bitter fuck
They call me a bitter fuck
Because of you
Because of you
They call me a bitter fuck
They call me a bitter fuck
Because of you
Because of you
Your bitch is lame don't follow me
Your bitch just came all over me
I don't wanna live in my skin no more
I won't fuck with you if you don't fuck with me
Don't fuck with me
Don't fuck with me
Don't fuck with me
Don't fuck with me
Don't fuck with me
Don't fuck with me
Don't fuck with me
Don't fuck with me
Don't fuck with me
Now I'm a bitter fuck
They call me a bitter fuck
Because of you
Because of you
They call me a bitter fuck
They call me a bitter fuck
Because of you
Because of you Now I don't give a fuck
Now I don't give a fuck

Because of you
Because of you
Yeah I don't give a fuck
Yeah I don't give a fuck
Because of you
Because of you
