

Hey Good Lookin'

Frankie Laine & Jo Stafford

Hey good looking, what you got cooking?
How's about cooking something up for me?
Hey sweet baby, don't you think maybe
We could find us a brand new recipe? I got a brand new car and a ten dollar bill
And I know a spot right over the hill
The juke box's jumping, the dance is free
So if you wanna have fun, come along with me
Hey good looking, what you got cooking?
How's about cooking something up for me?
I'm free and ready so we can go steady
How's about saving all your time for me?
No more looking, I know, I've been cooking
How's about keeping steady company? I'm gonna pull my date book over the fence
And find me one for five or ten cents
I'll keep it till it's covered with age
'Cos I'm writing your name down in every page
Hey good looking, what you got cooking?
How's about cooking something up for me?
Hey sweet baby, don't you think maybe
We could find us a brand new recipe?
