

# Amen

## Kid Cudi

I can see through you  
I can see through you Amen, Amen  
I won't save him  
I won't save me  
These demons walk around with an appetite  
I see them demons walk around in daylight  
I see 'em Amen  
I won't save him  
Don't [?] man  
A man can equal [?]  
Rip faces up with my bare hands  
You fake niggas and bitches (I see you hoe, I see you)  
Yeah I know you're wearing a mask  
Yeah I know you're wearing a mask  
And how much phony ass  
Get this through your bony brain  
Amen, Amen  
I won't save him  
I won't save me  
Don't [?] man  
A man can equal [?]  
Rip faces up with my bare hands  
You fake niggas and bitches  
I know you wear many masks  
I know you're wearing a mask  
Get out with your phony ass  
With your phony stories and plans Amen, Amen  
I won't save him  
I won't save me  
Demons walk around with an appetite  
Demons walk around in daylight  
Amen  
I won't save him  
Amen
