The Sun, The Sea

The Verve

I see, I hear it's very clear
Because the day has come when you have won
It's myself, I feelShe calls me, calls me the sun, the sea, yeah
I know it's not for today, it's not for today
It's for you and me, yeah, you and meAlone in my room you're there on the floor
Open up your eyes let me get inside
Learned to love on TV, learned to come on TV
Can I help you? Can I guide you?It amazes me how I broke free then got brought back in
'Cause when the feeling's there shattered and scared
I know you've won goodbye, I'm goneAlone in my room, you're there on the floor
Open up your eyes let me get inside
Said you learned to come on TV then hold on to me
Can I help you? Can I help you?I'll do one thing, I'll try, hold on, now, hold on now
Here comes, here comes a new way
