

No Rest For The Wicked

Godsmack

Walked a fine line, slipped the edge under me
Rise above a suicide, taking it out of me
Got a feeling, it's going far away, yeah
Licking the wounds from yesterday
Gonna fly, taken my time, strip down to nothing
Gonna try, but there's no rest for the wicked
Been through the skin of a dragon a thousand times
In every day I live for you, still I'm not alive
Got a feeling, I'm gonna fall away
Gimme a sign, one reason that I should stay
Gonna fly, taken my time, strip down to nothing
Gonna try, but there's no rest for the wicked
Gonna fly, take my time, strip down to nothing
Gonna try, but there's no rest for the wicked
Are you ready to know just who I am?
Do you think you can make me a better man?
Crack me open, expose me to your ways
Ignorance and arrogance on my way
Oh yea
No rest for the wicked baby!
Gonna fly, take my time, strip down to nothing
Gonna try, but there's no rest for the wicked
Gonna fly, take my time, strip down to nothing
Gonna try, but there's no rest for the wicked
