

Kern River Blues

Merle Haggard

I'll never swim Kern River again
It was there that I met her
It was there that I lost my best friend
And now I live in the mountains
I drifted up here with the wind
And I may drown in still water
But I'll never swim Kern River again I grew up in an oil town
But my gusher never came in
And the river was a boundary
Where my darlin' and I use to swim
One night in the moonlight
The swiftness swept her live away
And now I live on Lake Shasta and
Lake Shasta is where I will stay
There's the South San Joaquin
Where the seeds of the dust bowl are found
And there's a place called Mount Whitney
From where the mighty Kern River comes down
Well, it's not deep nor wide
But it's a mean piece of water my friend
And I may cross on the highway
But I'll never swim Kern River again
I'll never swim Kern River again It was there I first met her
It was there that I lost my best friend
And now I live in the mountains
I drifted up here with the wind
And I may drown in still water
But I'll never swim Kern River again I'll never swim Kern River again
It was there I first met her
It was there that I lost my best friend
And now I live in the mountains
I drifted up here with the wind
And I may cross on the highway
But I'll never swim Kern River again
