

# Black Postcards

## Luna

Ice man, ice man, candy man, sandman  
All the things I've wanted for, someone else took them  
Lonely in a new shirt, lonely watching baseball  
If I had to do it all again, I wouldn't Throw it all away, throw it all away  
I want a holiday, I want a holiday Marigolds and tangerines, I have dreamed an empty dream  
I am slow and you are too, someone tell me what to do  
Lonely on a Wednesday, lonely on a Friday  
If I had to do it all again, I wouldn't Throw it all away, throw it all away  
I want a holiday, I want a holiday I'm tired of having no future  
And I'm tired of pushing my luck  
I'm tired of waiting for the endgame  
Watching the stars turn black  
Throw it all away, throw it all away  
I want a holiday, I want a holiday
